"ALL IN has been a great program for Jeannie. It was important to us to find the right balance - a high quality program that provided the right opportunities and exposure, but also a team-oriented atmosphere where the coaches really care about the players on and off the court. ALL IN provided all of that."

2025 REGIONAL AND NATIONAL TEAM CIRCUITS

ALL IN ATHLETICS IS A CERTIFIED ADIDAS 3STRIPES GOLD PROGRAM FOR BOYS & 3SSB PROGRAM FOR GIRLS

ALL IN is 1 of very few Certified adidas grassroots programs in the country for boys AND girls. ALL IN is 1 of 45 boys 3Stripes Gold programs and 1 of 35 girls 3SSB programs across the country that has been invited to play on their respective adidas circuits this season.

The Boys 3Stripes Gold is a three-stop circuit and the Girls 3SSB is a three-stop circuit for adidas sponsored teams to gain exposure in front of college coaches, media outlets and their peers. Teams face high level national competition, including top 100 players & McDonald's All-Americans. This level of competition prepares players for the challenges and situations they will ultimately face in college, an opportunity that very few programs in the state are able to offer.

The top team at each age group (15U, 16U, 17U) will compete on the adidas 3Stripes Gold and they will have the opportunity to play against the 3SSB teams during July's Live Period (where Division I college coaches will be in attendance).

ALL IN Elite girls high school teams will play on the adidas 3SSB.

The top team at each age group (15U, 16U, 17U) will compete on the adidas 3SSB circuit.

NY2LA BASKETBALL ASSOCIATION

ALL IN National boys high school teams will play in the NY2LA Basketball Association. At least one team at each age group (15U, 16U, 17U) will compete in the NY2LA Basketball Association. The NY2LA Basketball Association is a high caliber grassroots league that features some of the most talented programs and prospects in the country each year. With quality exposure opportunities at a premium during critical viewing periods each year, the NY2LA Basketball Association will play host to 15U-17U teams and it will be held on select "live" period evaluation weekends during the spring and summer.

PREP HOOPS CIRCUIT

ALL IN Regional boys high school teams will play on the Prep Hoops Circuit. At least one team at each age group (15U, 16U, 17U) will compete on the Prep Hoops Circuit. The Prep Hoops Circuit is the largest independent league in grassroots basketball. Prep Hoops acts as the subject matter expert for coverage and content in 35 states across the country. Teams that participate in Prep Hoops events will be covered on the Prep Hoops media page.

BLUE STAR LEAGUE

ALL IN National girls high school teams will play in the Blue Star League. At least two high school girls teams will compete in this circuit. The Blue Star Basketball League provides elite competition and exposure. Organized under the Blue Star Media umbrella, the league features top club programs nationwide, offering high-level competition and national scouting coverage.

GENERATION NEXT BASKETBALL ASSOCIATION (GNBA)

ALL IN National 6th-8th grade boys teams will play in NY2LA's Generation Next Basketball Association (GNBA). The GNBA provides some of the premier middle school competition in the country with multiple opportunities for prospects to deliver, develop, and improve while also providing them quality early introduction into the exposure process both regionally and nationally.

COMMITMENT TO PLAYER EXPOSURE

No other program invests in individual player exposure the way ALL IN does. Along with playing in regional and national events, players that participate in our spring/summer program will have access to SportsRecruits, Hudl and Honest Game services.

Every ALL IN high school player that participates on a Regional or National team or unsigned senior team will receive a SportsRecruits Pro Account included in their team fee, which is regularly valued at \$99/month per player. Every 8th-12th grade player will receive an HonestGame package valued at \$120/player.
